

EARly

the hearing experts

CORPORATE POLICY

We strive hard every day to ensure all our customers get the best hearing experience. To make this journey easier, we offer the following services.

- We provide a free professional diagnosis of your hearing loss at your home.
- After the diagnosis, we offer a 10-day trial based on your budget and features as discussed. If opting for a trial then 50% of the MRP value of the hearing aid is payable as a refundable deposit.
- If the patient denies a 10-day trial, then Rs 700/- is chargeable as the expert consolation charges.
- If the patient is not satisfied with the hearing aid performance or service after the trial period. The entire deposited amount will be refunded with no extra charges applicable
- Post purchase of your hearing aid device, you can schedule two free consultation with our hearing expert. A charge of Rs 750/- is levied from the third visit onwards.
